Section 1: Race Information

- **Track:** Keeneland
- **Date:** Saturday, October 11, 2025 ¹
- **Race #:** 9
- **Surface:** Turf ²
- **Distance:** 1 1/8 Miles ³
- **Conditions:** QEII Cup-G1 for 3-year-old Fillies ⁴
- **Bris Speed Rating (SPD) Par:** 94 ⁵

Section 2: Projected Fractions & Final Time

- **Primary Pace Scenario (75% Likelihood): Lone Speed.** #5 Opulent Restraint is the only horse in the field with a committed front-running style (E7)⁶. In a Grade 1 race at this distance, her high-class connections are almost certain to leverage this tactical advantage. Expect her to establish a clear, uncontested lead with moderate fractions.
 - Projected Fractions: :24.1, :48.4, 1:12.8
 - Projected Final Time: 1:49.1
- **Secondary Pace Scenario (25% Likelihood): Honest Pace.** Should another runner, perhaps #1 Lush Lips, decide to press the issue, the pace could be more honest. However, it is unlikely to be fast, as no other horse possesses the natural early speed of #5 Opulent Restraint. This scenario would still favor forwardly placed runners.
 - Projected Fractions: :23.6, :47.9, 1:12.4
 - Projected Final Time: 1:48.5
- **Reasoning:** The Speed Pressure Index (SPI) is very low with only one designated "Pace Contestant". This points overwhelmingly to a "Lone Speed" scenario, giving #5 Opulent Restraint a significant strategic advantage that will be difficult for the closers to overcome.

Section 3: Pace & Trip Master Module

Part A: Initial Pace Data

- **Primary Pace Scenario:** Lone Speed - 75%
- **Secondary Pace Scenario:** Honest Pace - 25%
- **Pace Contestant List (NL & PP Personas):** #5 Opulent Restraint
- **Pace Contestant Count:** 1

Part B: Speed Duel Analysis (MANDATORY CHECK)

- **Analysis:** No Duel Analysis Required. With a Pace Contestant Count of 1, the race projects to have a lone, uncontested leader.

Part C: Final Pace Designations & Race Flow Narrative

- **Tough/Prime Speed:** #5 Opulent Restraint (Designated Lone Speed)
- **Vulnerable Frontrunners:** None.
- **Well-Positioned Stalkers/Closers:** #1 Lush Lips, #2 Laurelin, #6 Candy Quest, #9 Fionn

Projected Race Flow (Narrative)

- **Primary Scenario Flow (75% Likelihood):** #5 Opulent Restraint is expected to break sharply and dictate terms on an easy, uncontested lead. The rest of the field, comprised of stalkers and closers, will have to decide when to make their move. If the fractions are as slow as projected, it will be exceedingly difficult for deep closers like #9 Fionn and #4 Daisy Flyer to make up the necessary ground in the stretch. The race will likely be won or lost based on how much of a lead #5 Opulent Restraint can build and maintain.
- **AI Call:** This race is #5 Opulent Restraint's to lose. As the controlling speed, she holds all the cards. The top-class closers like #2 Laurelin and #9 Fionn will need a perfect trip and a faster-than-expected pace to have a chance to run her down.
