Speed Map: Early leaders [Coach Andreina] (Box 1), [Cet Dirty Trix] (Box 7) • Pressure: Moderate • First Split: 6.46s

Map Health: Fair — HLM coverage 71%

Bimodal Dog Table

1. 🌟🏆 Coach Andreina (Box 1): TPN-G 87

🕒 Best: 30.81 | 🚦 Split: 6.46

🧠 Model Logic: 🚀 *Elite Speed Guardrail* active; blazing 6.46 split from the rail gives her total control of the map here. Fades late, but in a Maiden field, she may build an insurmountable lead.

2. 🔥🎯 Gls Kiara (Box 2): TPN-G 84

🕒 Best: 30.83 | 🚦 Split: 6.58

🧠 Model Logic: 🐾 *Rail-hold in pace duel* protects her MTR. She is highly consistent (2-2-4 recent form) and draws inside a weak middle map; poised to stalk the 1-dog.

4. 🌱💰 Jsp Wild N Zingy (Box 4): TPN-G 81

🕒 Best: 31.12 | 🚦 Split: N/A

🧠 Model Logic: 🎓 First-Time Starter exemption applied. Showed solid promise in schooling (31.12 win); fits well in a weak Maiden field if she breaks clean.

7. 🤖⚠️ Cet Dirty Trix (Box 7): TPN-G 79

🕒 Best: 31.57 | 🚦 Split: 6.47

🧠 Model Logic: 🤖 *Ghost Protocol* active (ignoring last 12-length fade). Possesses high early speed (6.47) to cross the field, but late kick is highly suspect.

5-8 Scrub List:

5. Tnt Amazinggrace (Box 5): TPN-G 74. Steady, lacks winning punch.
8. Onyx Sparkle (Box 8): TPN-G 73. Box bias helps, speed lacking.
6. Misty Eyes (Box 6): TPN-G 68. Drawn poorly, form is terrible.
3. My Buddy Barlow (Box 3): TPN-G 65. Slow breaker, mathematically eliminated.

Wagering Posture & Value Overlay Enhancer

- **Aggression Tier:** Moderate
- **TPN-G Spread Delta:** 3 pts. (Tight)
- **Underlay Guard:** 7 Cet Dirty Trix 🚫 (Excluded from Win Bets due to severe stamina drain).

Speed Map Snapshot

Speed Map: Early leaders [Omaha Nancy] (Box 2), [Cet Rascal] (Box 4) • Pressure: Mod-Low • First Split: 6.54s

Map Health: Good — HLM coverage 80%

Bimodal Dog Table

2. 🐾 🏆 Omaha Nancy (Box 2): TPN-G 91

🕒 Best: 30.30 | 🚦 Split: 6.54

🧠 Model Logic: 🕒 *PB Alert* triggered. Dropping a massive 30.30 in her last official start is Grade B/A territory hiding in Grade D. With a clean break, she visually outclasses this field.

3. 🎯 🏆 Tnt Down N Dirty (Box 3): TPN-G 86

🕒 Best: 30.36 | 🚦 Split: 6.48

🧠 Model Logic: 🏆 *Class Trumps Map* override. Dropping out of Grade C with a highly competitive 30.36 PB. Should slot in right behind the 2-dog for a favorable trip.

7. 🔥 💰 Arkwld B Scourge (Box 7): TPN-G 82

🕒 Best: 30.37 | 🚦 Split: 6.63

🧠 Model Logic: Hot kennel upgrade. Form is rounding into shape with a strong schooling run; 30.37 PB shows he has the baseline speed to threaten late.

1. 🎯 🏆 Ww Black Mamba (Box 1): TPN-G 78

🕒 Best: 30.59 | 🚦 Split: 6.54

🧠 Model Logic: Rides the rail bias (+2 BFS). Lacks elite speed but draws perfectly to grind out a minor exotic share.

5-8 Scrub List:

6. Ruffled Feathers (Box 6): TPN-G 75. Needs the lead, tough draw.

4. Cet Rascal (Box 4): TPN-G 72. Shows early pace but fades out.

8. Arroyo Legacy (Box 8): TPN-G 70. Wide bias helps, but too slow.

5. Ff Zack Attack (Box 5): TPN-G 64. 🧟 *Ghost Toss* (Fell last race, form poor prior).

Wagering Posture & Value Overlay Enhancer

- **Aggression Tier:** Tight (Keying the top dog)
- **TPN-G Spread Delta:** 9 pts. (Mod)
- **Value Overlays:** 2 Omaha Nancy is a massive class/time standout. Key in all exotics.

Speed Map Snapshot

Speed Map: Early leaders [Jsp Lincoln Run] (Box 4), [O Ya Liza Jane] (Box 3) • **Pressure:** High • **First Split:** 6.42s
Map Health: Good — HLM coverage 85%

Bimodal Dog Table

8. 🕒 🏁 Turbo Boost (Box 8): TPN-G 94

🕒 Best: 29.76 | 🏁 Split: 6.43

🧠 Model Logic: 🕒 *PB Alert* and 🏁 *Class Trumps Map*. He dropped a ridiculous 29.76 PB just a month ago. Dropping into Grade C from the outside box (+2 BFS) makes him an absolute monster here.

4. 🌟 🏁 Jsp Lincoln Run (Box 4): TPN-G 87

🕒 Best: 30.29 | 🏁 Split: 6.42

🧠 Model Logic: 🌟 *Elite Speed Guardrail*. Blazing 6.42 split gives him total clearance to the turn. He will map the front, forcing the 8-dog to chase him down.

3. 🎯 🐾 O Ya Liza Jane (Box 3): TPN-G 83

🕒 Best: 30.41 | 🏁 Split: 6.45

🧠 Model Logic: Excellent early speed (6.45) secures a prime draft behind the 4-dog. Highly consistent recent form (2-3-6) makes her a must-use in trifectas.

2. 💰 🏁 Tnt Machete (Box 2): TPN-G 80

🕒 Best: 30.14 | 🏁 Split: 6.45

🧠 Model Logic: Carries a sneaky-fast 30.14 PB into this race. Will get a clean rail run behind the early pace duel.

5-8 Scrub List:

1. Follow Me Ali (Box 1): TPN-G 76. Rail helps, but outkicked early.
2. Ww Got The Look (Box 5): TPN-G 73. Slow breaker (6.72), squeeze risk.
3. Arkwild B Kraken (Box 6): TPN-G 70. Grade jump, PB too slow.
4. Kells Jetstream (Box 7): TPN-G 66. Awful recent form, toss.

Wagering Posture & Value Overlay Enhancer

- **Aggression Tier:** Tight
- **TPN-G Spread Delta:** 11 pts. (Clear Leader)
- **Value Overlays:** 8 Turbo Boost is a legitimate multi-grade standout. Single in Pick 4/Pick 5 sequences.

Speed Map Snapshot

Speed Map: Early leaders [Cg's Doc] (Box 5), [Lil P's Winner] (Box 1) • **Pressure:** Low • **First Split:** 6.43s
Map Health: Poor — HLM coverage 60%

Bimodal Dog Table

5. 🌟 🐾 Cg's Doc (Box 5): TPN-G 85

🕒 Best: 30.89 | 🚦 Split: 6.43

🧠 Model Logic: 🚀 *Elite Speed Guardrail*. A massive 6.43 break in schooling highlights elite acceleration against a sluggish Maiden field. If he replicates that split, he wires them.

1. 🎯 Lil P's Winner (Box 1): TPN-G 80

🕒 Best: 30.93 | 🚦 Split: 6.59

🧠 Model Logic: Gets the rail advantage (+2 BFS) in a race completely devoid of inside speed. Should secure a free trip to the turn.

4. 🍲 Bsm Chilli (Box 4): TPN-G 77

🕒 Best: 30.90 | 🚦 Split: 6.64

🧠 Model Logic: 🛠️ *Grinder's Guardrail* applied. Steady pace profile in a chaotic maiden race. Capable of picking up pieces if the leaders falter.

6. 💰 Superior Skipper (Box 6): TPN-G 75

🕒 Best: 30.85 | 🚦 Split: 6.63

🧠 Model Logic: Has the field's best official PB (30.85). Form is middling, but 🌬️ *Bubble Promotion* brings him in for exotics value.

5-8 Scrub List:

3. Arkwild B Corlis (Box 3): TPN-G 72. Slow PB, needs to improve.
2. Mack Brown (Box 2): TPN-G 70. Schooling times (31.68) are too slow.
8. Arroyo Hope (Box 8): TPN-G 68. Drawn wide, zero early foot.
7. Coach Belladasha (Box 7): TPN-G 64. Bleeding late, strict toss.

Wagering Posture & Value Overlay Enhancer

- **Aggression Tier:** Defensive
- **TPN-G Spread Delta:** 8 pts. (Mod)
- **Underlay Guard:** Avoid heavy win bets in this chaotic maiden; key the 5-dog in exotics.

Speed Map Snapshot

Speed Map: Early leaders [Tnt Kubota] (Box 2), [Jsp Taytor Tot] (Box 5) • Pressure: High • First Split: 6.23s
Map Health: Excellent — HLM coverage 90%

Bimodal Dog Table

2. 💣 Tnt Kubota (Box 2): TPN-G 92

🕒 Best: 30.06 | 🚦 Split: 6.23

🧠 Model Logic: 🚀 *Elite Speed Guardrail*. Dropped an otherworldly 6.23 first split recently. Mathematically eliminates the dogs around him to the turn and owns a field-best 30.06 PB.

4. 🔥 Tmc Turbo Zoomba (Box 4): TPN-G 88

🕒 Best: 30.23 | 🚦 Split: 6.64

🧠 Model Logic: Highly consistent late-kicker (form 1-2-3). While the 2-dog flies early, Turbo Zoomba has the LKI

(+4.0) to hunt down the pace in the stretch.

5. 🚩 🐾 Jsp Taytor Tot (Box 5): TPN-G 84

🕒 Best: 30.31 | 🚦 Split: 6.35

🧠 Model Logic: Excellent raw speed (6.35), but draws the 🚩 *MTR Squeeze* outside the 4. Must cross sharply to survive the turn, but form (2-6-2) warrants respect.

6. 🔥 GlS Sarah (Box 6): TPN-G 81

🕒 Best: 30.23 | 🚦 Split: 6.55

🧠 Model Logic: Trainer heat (+3 TKH). Form is peaking. Can sit off the hot pace duel between 2 and 5 and strike late.

5-8 Scrub List:

1. Ww Go Go Merry (Box 1): TPN-G 78. Cutback angle, but out-paced early.
2. Superior Gabriel (Box 7): TPN-G 76. Needs inside trip, drawn poorly.
3. Arkwild B Smith (Box 8): TPN-G 74. Consistent but lacks winning sub-30.30 gear.
4. Cet Checkers (Box 3): TPN-G 68. Vise grip victim inside the 4.

Wagering Posture & Value Overlay Enhancer

- **Aggression Tier:** Tight
- **TPN-G Spread Delta:** 9 pts. (Mod)
- **Value Overlays:** 2 Tnt Kubota is a massive speed standout.

Speed Map Snapshot

Speed Map: Early leaders [GlS Maybanks] (Box 7), [Faber] (Box 1) • **Pressure:** Extreme • **First Split:** 6.27s

Map Health: Excellent — HLM coverage 94%

Bimodal Dog Table

1. 🔥 🎯 Faber (Box 1): TPN-G 94

🕒 Best: 30.24 | 🚦 Split: 6.35

🧠 Model Logic: Elite form (2-1-1) and draws the absolute dream box (+3 BFS) inside a high-speed stakes field. 🍌
Rail-hold in pace duel locks him in as the dominant force.

7. 🌟 🚀 GlS Maybanks (Box 7): TPN-G 91

🕒 Best: 30.29 | 🚦 Split: 6.27

🧠 Model Logic: 🚀 *Elite Speed Guardrail*. Dropped a 6.27 split to secure front position. Will launch like a rocket, but must clear the 1-dog to avoid the bend collision.

8. 🔥 💰 Cet Movin Kaichu (Box 8): TPN-G 87

🕒 Best: 30.08 | 🚦 Split: 6.29

🧠 Model Logic: Has the raw PB edge (30.08) and elite acceleration (6.29). Loves the outside draw (+2 BFS). Will be looming dangerously if 1 and 7 duel too hard.

2. 🐾 Cet Dirty Doobie (Box 2): TPN-G 83

🕒 Best: 30.25 | 🚦 Split: 6.45

🧠 Model Logic: Rides the rail draft behind Faber. Consistent underneath form (3-5-2) makes him the perfect Trifecta/Superfecta anchor.

5-8 Scrub List:

3. Cet Mowgli (Box 3): TPN-G 80. Great dog, but squeezed by inside pace.
4. Cet Movin Up (Box 4): TPN-G 77. Good form, but center map is a death trap here.
6. Clytemnestra (Box 6): TPN-G 75. Outkicked to the turn by the 7/8.
5. Gls Rafe (Box 5): TPN-G 73. High MTR penalty in this elite stakes field.

Wagering Posture & Value Overlay Enhancer

- **Aggression Tier:** Tight
- **TPN-G Spread Delta:** 11 pts. (Mod)
- **Value Overlays:** Heavy Exacta box 1-7. The class of the field resides on the edges.

Bimodal Dog Table

4. 🕒 🚀 Bsm Bingo (Box 4): TPN-G 93

🕒 Best: 29.81 | 🚦 Split: 6.43

🧠 Model Logic: 🕒 *PB Alert*. Dropped an absolutely nuclear 29.81 PB just a few weeks ago. Overrides middle-box MTR penalties via sheer historic velocity. If he repeats that run, he wins.

7. 🔥 ⚡ Gls Topper (Box 7): TPN-G 90

🕒 Best: 30.05 | 🚦 Split: 6.33

🧠 Model Logic: 🚀 *Elite Speed Guardrail*. 6.33 breaker from the outside clears the traffic inside him. Coming off back-to-back victories; peaking at the exact right time.

6. 🧟 💰 Cet Movin Ricky (Box 6): TPN-G 87

🕒 Best: 29.97 | 🚦 Split: 6.35

🧠 Model Logic: 🧟 *Ghost Protocol* activated (Fell 1st Turn last race). Forgive that run entirely; he owns a sub-30 PB (29.97) and high early speed. Massive overlay potential.

1. 🌀 Cet Blantons (Box 1): TPN-G 84

🕒 Best: 30.26 | 🚦 Split: 6.31

🧠 Model Logic: Holds the rail with a fast 6.31 split. Will set the early tempo, but may face severe pressure at the 3/4 pole from the heavy hitters outside.

5-8 Scrub List:

2. Cet Dirty Miser (Box 2): TPN-G 80. Strong form, but slightly out-paced early.
8. Full Tilt (Box 8): TPN-G 78. Needs chaos inside to close the gap.
5. Cet Movin Bobby (Box 5): TPN-G 75. Vise grip victim; bad draw.
3. Just Take It (Box 3): TPN-G 72. Squeezed between 1 and 4, strict fade.

Wagering Posture & Value Overlay Enhancer

- **Aggression Tier:** Moderate
- **TPN-G Spread Delta:** 9 pts. (Mod)
- **Value Overlays:** 6 Cet Movin Ricky is a massive value play after falling last start; the market will ignore his elite 29.97 PB.
