- **Brisnet Dual-Metrics:** 2YO Engine Active.
- **The Going & Sweet Spot:** Back-to-back prior wins show current peak form.
- **Weight & Trip Notes:** 133 lbs. "Ridden and headway" last out shows a willing finisher.
- **AI Verdict:** The safest, most logical winner on the board based on the pace meltdown scenario.

#10 Defiant Dream (Bris ML: 20/1 | R&S PR: 21.0)

- **Normalized TPN: 88 | Tier: Contender (Chaos Play)**
- **R&S Neural Metrics:** NR: 91.5 | Em: 5.5. Lower true class, but dangerous under these conditions.

- **Brisnet Dual-Metrics:** 2YO Engine Active.
- **The Going & Sweet Spot:** Consistent sprinter.
- **Weight & Trip Notes:** 132 lbs.
- **AI Verdict:** Honest runner who avoids the worst of the pace duel but lacks the late punch of the top two.

#8 Ard as A Rock (Bris ML: 8/1 | R&S PR: 19.0)

- **Normalized TPN: 83 | Tier: Fringe**
- **R&S Neural Metrics:** NR: 97.5 | Em: 3.0.

- **The Going & Sweet Spot:** Unplaced but trying hard.
- **Weight & Trip Notes:** 129 lbs. Blnkr On (+4) signals aggressive intent to push through the speed duel.
- **AI Verdict:** Equipment change intent keeps him relevant, but the pace flow works against him.

B. FIELD SUMMARY (Ranks 6+)

- **#3 Bellatina (ML 15/1):** TPN 78 (Fringe). Em=0.0 pick, but "Empty Tank" comments (-5) and pace meltdown (-5) destroy her chances.
- **#1 Amber Ocean (ML 9/2):** TPN 75 (Non-Contender). Caught in the meltdown with quitting trip notes.
- **#4 Sultan Darius (ML 6/1):** TPN 75 (Non-Contender). Burned in the speed duel with fading form.
- **#9 Penny Capri (ML 15/1):** TPN 75 (Non-Contender). Needs a massive reversal of form.

- **Race Flow:** Absolute front-end meltdown. Horses 1, 3, 4, and 8 will destroy each other early. This sets up perfectly for #2 Dreams Galore to sweep past on the rail, while #7 Birkacre Brow attacks down the center.
- **Most Likely Winner:** #2 Dreams Galore — Gets the dream trip behind the duel.
- **Main Danger:** #7 Birkacre Brow — Forgiven bad trip last out masks an elite Neural Rating.
- **Value Threat:** #10 Defiant Dream — Weight relief and pace beneficiary.
- **AI Call:** Expect Birkacre Brow to spring the overlay upset, with Dreams Galore the primary danger.

- #6 Starship Lily (3yo, <=6 starts).
- #5 Nefertari (3yo, <=6 starts).

SECTION 2: Horse-by-Horse Analysis (BIMODAL OUTPUT)

A. TOP 5 SELECTIONS (Full Analysis)

#3 Iron Dome (Bris ML: 3/1 | R&S PR: 1.6)

- Normalized TPN:** 100 | Tier: Top Pick
- R&S Neural Metrics:** NR: 274.0 | Em: 0.0. A flawless neural profile. Massive NR Titan advantage (+8) and a 0.0 Em dead-heat/win algorithmic lock.

- **Pace & Draw (Speedmap):** HPR: 65 | Post: 5. Unpressured prominent trip.
- **Brisnet Dual-Metrics:** Shielded by Blue Sky youth protocols.
- **The Going & Sweet Spot:** Unexposed, but handles the AW well.
- **Weight & Trip Notes:** 133 lbs. Blinkers On (+4) for the first time. "Kept on one pace" shows he is ready for an aggressive forward ride.
- **AI Verdict:** The absolute standout. The Em 0.0 projection, blinkers on, and huge NR gap make him the strongest play on the card.

#6 Starship Lily (Bris ML: 6/5 | R&S PR: 5.5)

- **Normalized TPN: 86 | Tier: Contender**
- **R&S Neural Metrics:** NR: 112.0 | Em: 21.5. Distant 3rd in class metrics to the favorite.
- **Pace & Draw (Speedmap):** HPR: 65 | Post: 1. Inside draw with early tactical speed.
- **Brisnet Dual-Metrics:** Blue Sky potential active.
- **The Going & Sweet Spot:** Making AW debut after a respectable turf run.
- **Weight & Trip Notes:** 128 lbs. Heavy market intent (6/5 ML). "Slowly into stride, headway" shows latent ability.
- **AI Verdict:** Highly respected by the market, but the algorithm vastly prefers Iron Dome on raw physics and class.

#5 Nefertari (Bris ML: 30/1 | R&S PR: 4.4)

- **Normalized TPN: 79 | Tier: Fringe**
- **R&S Neural Metrics:** NR: 122.0 | Em: 19.5. Respectable 2nd in NR.

- **Normalized TPN: 71 | Tier: Non-Contender**
- **R&S Neural Metrics:** NR: 94.0 | Em: 12.0. Lowest class rating.

- **Brisnet Dual-Metrics:** Blue Sky potential active.
- **The Going & Sweet Spot:** Needs experience.
- **Weight & Trip Notes:** 133 lbs. "Very slowly into stride; green" signals he needs more racing.
- **AI Verdict:** Outclassed and prepping.

 SECTION 3: Overlay Audit & Race Call

- **NEURAL OVERLAY (⚡): None.**
 - **Race Flow:** A total lack of early speed. Iron Dome (with blinkers added) and Starship Lily will crawl to the front and sprint for home. Position is everything here.
 - **Most Likely Winner:** #3 Iron Dome — A 0.0 Em target with blinkers on and a 274 NR makes this a mathematical mismatch.
 - **Main Danger:** #6 Starship Lily — Takes heavy public money and gets an inside trip.
 - **Value Threat:** None. (Short field).
 - **AI Call:** Expect Iron Dome to dictate and dominate, with Starship Lily picking up the pieces.

SECTION 2: Horse-by-Horse Analysis (BIMODAL OUTPUT)

A. TOP 5 SELECTIONS (Full Analysis)

#10 Thai Baht (Bris ML: 6/1 | R&S PR: 3.5)

- **Normalized TPN: 100 | Tier: Top Pick**
- **R&S Neural Metrics:** NR: 152.5 | Em: 0.0. The machine projects a 0.0 margin victory while ranking #1 in True Class.
- **Pace & Draw (Speedmap):** HPR: 65 | Post: 5. Perfect mid-pack stalking position right behind the lone speed.
- **Brisnet Dual-Metrics:** 2YO Engine Active.
- **The Going & Sweet Spot:** Handled the AW beautifully in her debut at Lingfield.
- **Weight & Trip Notes:** 122 lbs. Outpaced last out but showed enough in her debut to justify the algorithm's heavy backing.
- **AI Verdict:** The Em 0.0 projection combined with her top NR rating makes her the smartest mathematical play against vulnerable favorites.

#6 On the Queue Tee (Bris ML: 4/1 | R&S PR: 4.8)

- **Normalized TPN: 100 | Tier: Top Pick (Tied)**
- **R&S Neural Metrics:** NR: 134.0 | Em: 3.0. Elite algorithmic rating.

- **Weight & Trip Notes:** 125 lbs. "Kept on one pace" in a strong 2nd place effort last out.
- **AI Verdict:** The most experienced, reliable horse in the field with building momentum. Co-top pick.

#3 Lady Branksome (Bris ML: 5/2 | R&S PR: 6.0)

- **Normalized TPN: 96 | Tier: Top Contender**
- **R&S Neural Metrics:** NR: 119.5 | Em: 6.5.
- **Pace & Draw (Speedmap):** HPR: 85 | Post: 7. Gets the "+8 Lone Speed" advantage; completely dictates the flow.
- **Brisnet Dual-Metrics:** 2YO Engine Active.
- **The Going & Sweet Spot:** AW debut.
- **Weight & Trip Notes:** 128 lbs. Hit with a "-5 Empty Tank" penalty for weakening late in her last two, but lone speed cures a lot of stamina issues.
- **AI Verdict:** The pace dictator. If she doesn't stop late, she wins, but her fading tendency makes her vulnerable at short odds.

#1 Fille Etoile (Bris ML: 5/1 | R&S PR: 9.5)

- **Normalized TPN: 85 | Tier: Fringe**
- **R&S Neural Metrics:** NR: 97.5 | Em: 7.0. Solid baseline for a debutant.
- **Pace & Draw (Speedmap):** HPR: 0 | Post: 10. Wide draw, will drop out early.
- **Brisnet Dual-Metrics:** 2YO Engine Active. First Time Starter.
- **The Going & Sweet Spot:** Unknown.
- **Weight & Trip Notes:** 128 lbs. Respected by the market at 5/1.
- **AI Verdict:** Dangerous debutant based purely on market respect, but a wide post hurts.

#8 Sacred Moment (Bris ML: 7/1 | R&S PR: 18.0)

- **Normalized TPN: 85 | Tier: Fringe**
- **R&S Neural Metrics:** NR: 82.5 | Em: 7.0.

- **AI Verdict:** Needs the run, watch the tote for late intent.

B. FIELD SUMMARY (Ranks 6+)

- **#9 Without You (ML 6/1):** TPN 80 (Fringe). FTS with moderate market respect, but algorithmic price (14.0) lags.
- **#2 Hoosier (ML 20/1):** TPN 72 (Non-Contender). 20/1 ML signals he is prepping/needs the run.
- **#5 Minirain (ML 12/1):** TPN 72 (Non-Contender). Debutant with poor algorithmic projections.
- **#7 Red Ashley (ML 60/1):** TPN 72 (Non-Contender). Outpaced on debut; completely ignored by the market.

 SECTION 3: Overlay Audit & Race Call

- **NEURAL OVERLAY (⚡):** None technically hit the 2X threshold, but #10 Thai Baht (6/1 ML vs 3.5 PR) is a massive algorithmic value.
- **Race Flow:** #3 Lady Branksome clears easily from the outside and sets a crawling pace. #6 On the Queue Tee and #10 Thai Baht secure perfect drafting trips behind her to strike in the lane.
- **Most Likely Winner:** #10 Thai Baht — The 0.0 Em target with elite class metrics makes her the mathematical alpha.
- **Main Danger:** #6 On the Queue Tee — Experience and momentum edge.
- **Value Threat:** #3 Lady Branksome — Lone speed makes her very dangerous if left alone.
- **AI Call:** Expect Thai Baht to track the speed and pounce, outkicking On the Queue Tee late.

- **Normalized TPN: 100 | Tier: Top Pick**
- **R&S Neural Metrics:** NR: 126.0 | Em: 1.0. Ranks 4th in true class, projecting an incredibly tight finish.
- **Pace & Draw (Speedmap):** HPR: 85 | Post: 12. A massive "+8 Lone Speed" advantage. Even from a wide draw, he has the gate speed to cross over and dictate entirely.
- **Brisnet Dual-Metrics:** Elite dual-threat: Ranked #3 in Average CR and #1 in EPS (+10 Bonus).
- **The Going & Sweet Spot:** Back-to-back wins recently show he is peaking.
- **Weight & Trip Notes:** 131 lbs. "Pressed leader... faced strong challenge" last out. He is tough on the front.
- **AI Verdict:** The controlling speed with elite Earnings Per Start. If he clears the wide draw, he goes wire-to-wire.

#11 Dr Ali (Bris ML: 7/1 | R&S PR: 4.0)

- **Brisnet Dual-Metrics:** Ranked 5th in EPS.
- **The Going & Sweet Spot:** Reliable AW runner.
- **Weight & Trip Notes:** Carries 124 lbs today down from 127 lbs (+6 Weight Relief). "Pressed leader" in a strong 2nd last out.
- **AI Verdict:** Massive class edge on the algorithm and gets crucial weight relief. A huge danger.

#6 Apex Star (Bris ML: 4/1 | R&S PR: 6.0)

- **Normalized TPN: 92 | Tier: Contender**
- **R&S Neural Metrics:** NR: 129.0 | Em: 2.0. Ranks #2 overall in true algorithmic class.

#4 My Mate Kev (Bris ML: 8/1 | R&S PR: 6.5)

- **Normalized TPN: 89 | Tier: Contender**
- **R&S Neural Metrics:** NR: 127.0 | Em: 0.0. The algorithm spots a mathematical anomaly, targeting him with a 0.0 Expected Margin.
- **Pace & Draw (Speedmap):** HPR: 65 | Post: 2. Inside draw saves ground.
- **Brisnet Dual-Metrics:** Ranks 4th in EPS.
- **The Going & Sweet Spot:** Placed 2nd on AW recently.
- **Weight & Trip Notes:** 132 lbs. Form is spotty, but the Em target demands respect.
- **AI Verdict:** The Em 0.0 target makes him incredibly dangerous despite patchy form.

#3 Torbados (Bris ML: 7/2 | R&S PR: 11.0)

- **Normalized TPN: 89 | Tier: Contender (Tied)**
- **R&S Neural Metrics:** NR: 118.5 | Em: 2.5. Moderate neural profile.
- **Pace & Draw (Speedmap):** HPR: 65 | Post: 1. Gets the inside rail to protect his trip.
- **Brisnet Dual-Metrics:** Ranked #2 in Average CR (+3).
- **The Going & Sweet Spot:** Placed on AW.
- **Weight & Trip Notes:** 133 lbs. Blinkers On (+4 Equipment Intent) combined with a strong 2nd last out.

B. FIELD SUMMARY (Ranks 6+)

- **#1 Preferred (ML 8/1):** TPN 80 (Fringe). Good CR baseline, but lacks the elite peaks of the top tier.
- **#13 Sisters in the Sky (ML 15/1):** TPN 78 (Fringe). Massive 94 career starts triggers "-4 Stagnation Tax", capping his ceiling.
- **#8 Ezra Cee (ML 50/1):** TPN 75 (Non-Contender). Adds blinkers but form is poor.
- **#5 Geemann (ML 12/1):** TPN 75 (Non-Contender). Rising in weight with declining speed metrics.
- **#10 Ten Cuidado (ML 20/1):** TPN 70 (Non-Contender). Takes blinkers off; outclassed algorithmically.
- **#12 Piddie's Pearl (ML 15/1):** TPN 65 (Non-Contender). Dead last in NR (78.5) and 0 earnings.

SECTION 3: Overlay Audit & Race Call

- **NEURAL OVERLAY (⚡):** None strictly qualify, but #11 Dr Ali (7/1 vs 4.0 PR) and #9 A Lott of Kane (8/1 vs 8.0 PR) offer tremendous mathematical value against the 7/2 favorite.
- **Race Flow:** #9 A Lott of Kane takes absolute control from the outside draw. Because no other horse possesses >80 HPR speed, he gets a breather on the front. #6 Apex Star and #11 Dr Ali track perfectly in the 2nd flight.
- **Most Likely Winner:** #9 A Lott of Kane — Lone speed combined with the highest Earnings Per Start in the field is a lethal cocktail.
- **Main Danger:** #11 Dr Ali — The Neural Titan of the race getting 3 lbs of weight relief.
- **Value Threat:** #4 My Mate Kev — The 0.0 Em target indicates a massive algorithmic bounce-back is expected.
- **AI Call:** Expect A Lott of Kane to steal it on the front end, fending off a late surge from Dr Ali.

SECTION 2: Horse-by-Horse Analysis

A. TOP 5 SELECTIONS (Full Analysis)

#5 Glen Nevis (Bris ML: 10/1 | R&S PR: 3.9)

- **Normalized TPN: 100 | Tier: Top Pick**
- **R&S Neural Metrics:** NR: 162.5 | Em: 21.0. Ranks #1 in true class by a massive 12-point margin over the field. The 3.9 PR versus a 10/1 ML odds represents a colossal mathematical overlay.
- **Pace & Draw (Speedmap):** HPR: 55 | Post: 4. Beautifully positioned as a tactical stalker just behind the projected speed duel.
- **Brisnet Dual-Metrics:** Avg CR Rank 5. Gets the "Blue Sky" youth shield as an unexposed 3yo.
- **The Going & Sweet Spot:** Placed in 1 of 2 previous All-Weather starts.
- **Weight & Trip Notes:** Carries 134 lbs today. Adding Blinkers ("Blnkr On") signifies major stable intent to sharpen early speed.
- **AI Verdict:** The clear algorithmic standout. Boasts the highest Neural Rating, a massive overlay, and first-time blinkers to seal the deal.

#11 The Dark Baron (Bris ML: 9/2 | R&S PR: 5.0)

- **Normalized TPN: 99 | Tier: Top Contender**
- **R&S Neural Metrics:** NR: 150.5 | Em: 0.0. The machine's precise target—an Expected Margin of exactly 0.0 makes this the ultimate Algorithmic Pick.
- **Pace & Draw (Speedmap):** HPR: 75 | Post: 7. Projects to press the pace just outside the leaders. Needs to avoid getting sucked into the speed duel.
- **Brisnet Dual-Metrics:** Avg CR 111. Carries elite historical class into a winnable spot.
- **The Going & Sweet Spot:** An All-Weather specialist with 3 wins on synthetic and deep distance proficiency.
- **Weight & Trip Notes:** Won last out, granting immunity to handicap weight anchors. Carries 130 lbs.
- **AI Verdict:** The Em 0.0 rating and a recent victory flag this horse as a highly dangerous, perfectly peaked contender.

#9 Faeberon (Bris ML: 5/1 | R&S PR: 19.0)

- **Normalized TPN: 93 | Tier: Contender**
- **R&S Neural Metrics:** NR: 91.0 | Em: 7.0. Neural rating is moderate, but pace setup heavily favors his profile.
- **Pace & Draw (Speedmap):** HPR: 5 | Post: 1. Extreme closer drawn perfectly on the inside (Post 1) to save ground while the speed meltdown occurs up front.
- **Brisnet Dual-Metrics:** Avg CR Rank 2. Stepping down slightly after facing tougher Class 4/Novice competition.
- **The Going & Sweet Spot:** Has won on the All-Weather (3: 1-0-0).
- **Weight & Trip Notes:** Adding Blinkers today ("Blnkr On") to keep him focused late. Drops 2 lbs from past efforts.
- **AI Verdict:** The prime beneficiary of the projected pace meltdown. Ground-saving draw and blinkers make him a major late threat.

#7 Little Miss India (Bris ML: 15/1 | R&S PR: 6.5)

- **Normalized TPN: 91 | Tier: Contender**
- **R&S Neural Metrics:** NR: 123.5 | Em: 1.0. Ranks #3 in True Class. The PR of 6.5 vs ML 15/1 exposes a massive betting overlay.
- **Pace & Draw (Speedmap):** HPR: 45 | Post: 10. Mid-pack closer. Will drop in from the wide draw and look to pick up the pieces.
- **Brisnet Dual-Metrics:** Avg CR Rank 7.

- **The Going & Sweet Spot:** Proven synthetic specialist (11 starts, 3 wins).
- **Weight & Trip Notes:** Carries 133 lbs. Trip notes indicate she was "headway wide" and "ridden to chase" recently, proving hidden stamina.
- **AI Verdict:** A massive value play based on the R&S Neural Overlay and synthetic affinity.

#1 Canvas (Bris ML: 5/1 | R&S PR: 15.0)

- **Normalized TPN: 84 | Tier: Contender**
- **R&S Neural Metrics:** NR: 97.0 | Em: 2.5. Neural Rating is average, but Brisnet class holds him together.
- **Pace & Draw (Speedmap):** HPR: 85 | Post: 8. A front-runner drawn wide. High risk of being caught in the "Wide Speed Trap."
- **Brisnet Dual-Metrics:** Avg CR Rank 1 (116). Consistent earner at this class level.
- **The Going & Sweet Spot:** Unbeaten on All-Weather (2 starts, 2 wins/places).
- **Weight & Trip Notes:** Forced to carry top weight of 139 lbs today (up 5 lbs from last start). This is a severe handicap anchor.
- **AI Verdict:** Classy and consistent, but the heavy weight, wide draw, and pace duel risk make him vulnerable to closers.

B. FIELD SUMMARY (Ranks 6+)

- **#4 My Girl Grace (ML 10/1):** TPN 80 (Fringe). Blue Sky 3yo, but Neural Rating (115.0) sits below the top tier; needs more time.
- **#8 Magician of Riga (ML 10/1):** TPN 78 (Scrub). Poor Neural Rating (77.0) and severe price discrepancy (PR 41.0).
- **#2 Cosmos Raj (ML 7/1):** TPN 76 (Scrub). Pace duel victim; highly exposed veteran (78 starts).
- **#10 Cotswold Cottage (ML 15/1):** TPN 76 (Scrub). Front-runner facing a contested pace; NR (82.5) is lacking.
- **#3 Moonjid (ML 15/1):** TPN 75 (Scrub). Moderate metrics across both documents; wait for a class drop.
- **#6 Criminal (ML 6/1):** TPN 75 (Scrub). False favorite trap; ML is 6/1 but R&S PR is a dismal 31.0.

 SECTION 3: Overlay Audit & Race Call

Step 1: Overlay / Chaos Identification

- **NEURAL OVERLAY (⚡):** #5 Glen Nevis (ML 10/1 vs PR 3.9) & #7 Little Miss India (ML 15/1 vs PR 6.5).
- **WATCH VALUE (👁️):** #9 Faeberon (ML 5/1 + Pace Meltdown setup).
- **CHAOS PLAY (💣):** #7 Little Miss India (Massive overlay + Closer).

Step 2: 🏇 Quick Race Call & Summary

- **Race Flow:** The Speedmap projects a three-way battle for the lead between Canvas, Cosmos Raj, and Cotswold Cottage. This contested pace will severely compromise the front-runners and set the table for tactical stalkers (Glen Nevis, The Dark Baron) and deep closers (Faeberon).
- **Most Likely Winner:** #5 Glen Nevis — Top NR, huge overlay, blinkers on, and a perfect stalking trip.
- **Main Danger:** #11 The Dark Baron — Em 0.0 target, won last out, proven over the track/distance.
- **Value Threat:** #9 Faeberon — Drawn the rail to save ground; the prime closer in a pace-meltdown scenario.

AI Call: Expect Glen Nevis to prove best, with The Dark Baron the danger.

 TrackSmart AI – Race 7 Analysis

SECTION 1: Field Leaderboards & Metrics

PROJECTED RACE FLOW (R&S Speedmap)

- **Pace Scenario:** Lone Speed
- **Projected Leaders (80-110 HPR):** #10 Sant Alessio (90 HPR)
- **Prime Closers (0-49 HPR):** #1 Kaaranah, #3 Dovecote, #4 Hauteluce, #7 Tortured Soul, #9 Showcasing Star
- **Pace Analysis:** The R&S Speedmap clearly dictates #10 Sant Alessio is the lone front-runner in this field. Without pace pressure, Sant Alessio has a distinct tactical advantage to dictate terms, while the heavy favorites (Dovecote, Hauteluce) will have to overcome slow tempos from the back.

TRI-DOCUMENT FIELD METRICS

TOP 5: True Class (R&S Neural Rating - NR)

1. #3 Dovecote (NR: 162.5 | Em: 6.5)
2. #4 Hauteluce (NR: 154.5 | Em: 0.0)

4. #7 Tortured Soul (NR: 120.5 | Em: 14.5)
5. #9 Showcasing Star (NR: 108.5 | Em: 7.5)

TOP 5: Average Class Rating / CR (Brisnet PPs)

1. #3 Dovecote (Avg CR: 114 | Highly progressive)

1. #3 Dovecote (*Finished 2nd in last 3 consecutive starts; knocking on the door*)
2. #4 Hauteluce (*Won two of last four; highly consistent*)
3. #1 Kaaranah (*Won twice in last four starts; deep form*)
4. #9 Showcasing Star (*Placed in recent outings; improving*)
5. #10 Sant Alessio (*Faded late recently but lone speed profile excuses it*)

TOP 5: "Sweet Spot" Matches (Brisnet Dist/Going/Track)

1. #7 Tortured Soul (*Massive 10 wins on the All-Weather*)
2. #1 Kaaranah (*5 career wins on the All-Weather*)
3. #4 Hauteluce (*1 win on synthetic*)
4. #10 Sant Alessio (*1 win on synthetic*)
5. #3 Dovecote (*No wins yet, but progressive on synthetic*)

SECTION 2: Horse-by-Horse Analysis

A. TOP 5 SELECTIONS (Full Analysis)

#3 Dovecote (Bris ML: 2/1 | R&S PR: 4.0)

- **Normalized TPN: 100 | Tier: Top Pick**
- **R&S Neural Metrics:** NR: 162.5 | Em: 6.5. Secures the #1 True Class ranking from the Neural Engine.
- **Pace & Draw (Speedmap):** HPR: 15 | Post: 1. A deep closer, which is a slight vulnerability against lone speed, but drawing the rail (Post 1) ensures a ground-saving trip.
- **Brisnet Dual-Metrics:** Avg CR Rank 1. Receives the "Blue Sky" Youth Shield (3yo with 4 starts). Uncapped potential.
- **The Going & Sweet Spot:** Second in two recent synthetic starts; handles the surface beautifully.
- **Weight & Trip Notes:** Carrying 135 lbs. Adding Blinkers ("Blnkr On") today signifies peak intent from the stable to get him over the line after three straight runner-up finishes.
- **AI Verdict:** The standout on class and trajectory. The addition of blinkers should give this progressive 3yo the edge needed to finally break through.

#4 Hauteluce (Bris ML: 5/1 | R&S PR: 5.0)

- **Normalized TPN: 99 | Tier: Top Contender**
- **R&S Neural Metrics:** NR: 154.5 | Em: 0.0. The machine's precise target (Em 0.0) combined with elite True Class makes her incredibly dangerous.
- **Pace & Draw (Speedmap):** HPR: 15 | Post: 4. Another closer who will need to navigate through traffic.
- **Brisnet Dual-Metrics:** Avg CR Rank 2. Another 3yo granted the "Blue Sky" Youth Shield (only 5 career starts).
- **The Going & Sweet Spot:** Proven winner on synthetic.
- **Weight & Trip Notes:** Carries 134 lbs. Trip notes show she was "ridden over 2f out" and "faded," but she has a massive class engine.
- **AI Verdict:** Her Expected Margin of 0.0 indicates she is mathematically primed to win. A co-favorite alongside Dovecote on sheer algorithmic power.

#7 Tortured Soul (Bris ML: 20/1 | R&S PR: 8.5)

- **Normalized TPN: 95 | Tier: Contender**
- **R&S Neural Metrics:** NR: 120.5 | Em: 14.5. Solid Top-4 Neural Rating, but the story is the PR: 8.5 Neural Price vs. 20/1 Morning Line Odds—a massive mathematical overlay.
- **Pace & Draw (Speedmap):** HPR: 20 | Post: 8. Closer drawn wide.
- **Brisnet Dual-Metrics:** Avg CR 110. Slightly below the top tier, but makes up for it in surface mastery.
- **The Going & Sweet Spot:** The ultimate All-Weather specialist. Boasts a staggering 10 career wins on synthetic surfaces.
- **Weight & Trip Notes:** Carries 133 lbs.
- **AI Verdict:** The ultimate chaos play. Any horse with 10 synthetic wins at 20/1 odds with an 8.5 Neural Price is a mandatory inclusion.

#1 Kaaranah (Bris ML: 7/2 | R&S PR: 5.0)

- **Normalized TPN: 89 | Tier: Contender**
- **R&S Neural Metrics:** NR: 153.5 | Em: 2.5. Elite Neural Rating (#3 overall), highly respected by the algorithm.
- **Pace & Draw (Speedmap):** HPR: 15 | Post: 3. Ground-saving draw for a closer; perfectly protected inside.
- **Brisnet Dual-Metrics:** Avg CR Rank 3 (114).
- **The Going & Sweet Spot:** Highly proven veteran with 5 synthetic wins and multiple Class 5 victories.
- **Weight & Trip Notes:** Top weight (138 lbs). As an 8-year-old, he carries the "Stagnation Tax" limit penalty, meaning his upside is capped compared to the 3-year-olds.
- **AI Verdict:** He has the class and the ground-saving draw, but giving weight to unexposed 3yos makes him vulnerable for the win. Great underneath.

#10 Sant Alessio (Bris ML: 15/1 | R&S PR: 20.0)

- **Normalized TPN: 86 | Tier: Fringe Contender**

- **R&S Neural Metrics:** NR: 92.5 | Em: 20.5. Very poor True Class metrics, but he has a singular tactical advantage.
- **Pace & Draw (Speedmap):** HPR: 90 | Post: 5. The absolute "Lone Speed" dictator in this field.
- **Brisnet Dual-Metrics:** Avg CR 111.
- **The Going & Sweet Spot:** One prior synthetic win.
- **Weight & Trip Notes:** Light weight (130 lbs). Trip notes say "led... headed over 2f out."
- **AI Verdict:** His Neural numbers are weak, but lone speed on an All-Weather track can steal races. Worth a look at 15/1 strictly on pace dynamics.

B. FIELD SUMMARY (Ranks 6+)

- **#9 Showcasing Star (ML 15/1):** TPN 75 (Scrub). Mild NR (108.5); closer needing pace that won't materialize.
- **#5 Pulsar Star (ML 10/1):** TPN 75 (Scrub). Low NR (91.5) and fully exposed.
- **#6 Eastern Veil (ML 8/1):** TPN 75 (Scrub). False favorite trap; PR is 13.0 vs ML 8/1.
- **#8 Reveur (ML 15/1):** TPN 75 (Scrub). Mid-tier CR but lacks algorithmic backing (NR 99.5).
- **#2 Hamadhan (ML 12/1):** TPN 71 (Scrub). Dead last in True Class (NR 88.5).

SECTION 3: Overlay Audit & Race Call

Step 1: Overlay / Chaos Identification

- **NEURAL OVERLAY (⚡):** #7 Tortured Soul (ML 20/1 vs PR 8.5).
- **WATCH VALUE (👁️):** #10 Sant Alessio (Lone Speed advantage at 15/1).
- **CHAOS PLAY (🌪️):** #7 Tortured Soul (10x AW winner).

Step 2: 🏇 Quick Race Call & Summary

- **Race Flow:** #10 Sant Alessio holds the keys to the race as the lone front-runner. He will try to back down the pace and steal it. The heavy favorites, Dovecote and Hauteluce, are both closers who will need to weave through traffic and unleash massive late turns of foot to catch the lone speed.
- **Most Likely Winner:** #3 Dovecote — Top NR, blinkers added, and extremely progressive form.
- **Main Danger:** #4 Hauteluce — Em 0.0 target; highly dangerous unexposed class.
- **Value Threat:** #7 Tortured Soul — 20/1 odds on a horse with 10 wins on the surface is a gift.

AI Call: Expect Dovecote to prove best, with Hauteluce the danger.

#1 Takeitorleaveit (Bris ML: 9/2 | R&S PR: 3.8)

- **Normalized TPN: 100 | Tier: Top Pick**
- **R&S Neural Metrics:** NR: 152.5 | Em: 0.0. An absolute monster algorithmically. Holds the #1 True Class rating AND the golden Expected Margin of 0.0.

- **Brisnet Dual-Metrics:** Avg CR Rank 1 (114). The class of the field.
- **The Going & Sweet Spot:** Progressive AW profile with an inside ground-saving trip over a marathon 1 1/2 miles.

- **AI Verdict:** The most complete profile on the card. Elite Neural Rating, Em 0.0, best Class Ratings, and a flawless

tactical draw.

#4 Electrical (Bris ML: 20/1 | R&S PR: 6.5)

- **Normalized TPN: 97 | Tier: Top Contender (Value)**
- **R&S Neural Metrics:** NR: 117.5 | Em: 20.5. Ranked #3 in True Class. The PR of 6.5 against a 20/1 ML is a colossal algorithmic overlay.
- **Pace & Draw (Speedmap):** HPR: 5 | Post: 9. Deep closer. Will need a good ride to navigate the 14-horse traffic.
- **Brisnet Dual-Metrics:** Avg CR 110. Granted the "Blue Sky" youth shield (only 8 career starts).
- **The Going & Sweet Spot:** Looking for distance progression.
- **Weight & Trip Notes:** Carries 132 lbs. Trip notes show she was "slowly away" and "towards rear," but she has hidden stamina.
- **AI Verdict:** A massive overlay play. The machine respects her (PR 6.5) far more than the oddsmaker (20/1). Must include.

#5 Caraway (Bris ML: 5/1 | R&S PR: 4.8)

- **Normalized TPN: 88 | Tier: Contender**
- **R&S Neural Metrics:** NR: 143.0 | Em: 3.0. Elite algorithmic backing, ranking #2 in True Class.
- **Pace & Draw (Speedmap):** HPR: 65 | Post: 6. Mid-pack stalker. Should get a lovely tow into the race.
- **Brisnet Dual-Metrics:** Avg CR Rank 2. Consistent runner at this level.
- **The Going & Sweet Spot:** Progressive synthetic profile.
- **Weight & Trip Notes:** 131 lbs. "Wore hood to post; prominent; ridden over 2f out." Consistent grinder.
- **AI Verdict:** Safe, consistent, and mathematically sound. A logical exotic partner to the top pick.

#2 Mmbop (Bris ML: 6/1 | R&S PR: 8.0)

- **Normalized TPN: 86 | Tier: Contender**
- **R&S Neural Metrics:** NR: 112.0 | Em: 3.5. Solid #4 True Class rating.
- **Pace & Draw (Speedmap):** HPR: 90 | Post: 4. The projected pace-setter. Dictating terms over 1 1/2 miles is a massive advantage if left alone.
- **Brisnet Dual-Metrics:** Avg CR 111. Only 5 career starts; immense Blue Sky upside.
- **The Going & Sweet Spot:** Unexposed distance profile.
- **Weight & Trip Notes:** 134 lbs. "Prominent; shaken up over 2f out."
- **AI Verdict:** The front-runner in a race lacking extreme speed pressure. Will be very hard to pass if she gets cheap sectionals.

#6 Goldfinder (Bris ML: 3/1 | R&S PR: 10.0)

- **Normalized TPN: 85 | Tier: Contender**
- **R&S Neural Metrics:** NR: 101.5 | Em: 4.5. Moderate True Class rank (#5). The PR (10.0) vs ML (3/1) triggers a "False Favorite Tax"—the algorithm thinks she is wildly underpriced.
- **Pace & Draw (Speedmap):** HPR: 60 | Post: 2. Beautiful ground-saving tactical draw (Post 2).
- **Brisnet Dual-Metrics:** Avg CR 111.
- **The Going & Sweet Spot:** Unexposed AW stayer.
- **Weight & Trip Notes:** 130 lbs. "Rear mid-division; pushed along and headway."
- **AI Verdict:** Drawn perfectly and in form, but at 3/1, the machine dictates she is poor value. Use underneath.

B. FIELD SUMMARY (Ranks 6+)

- **#11 Alkaio (ML 15/1):** TPN 84 (Fringe). Adding Blinkers ("Blinkr On") today, which signals intent.
- **#10 La Kosmos (ML 7/1):** TPN 80 (Scrub). Low NR (80.0); fully exposed to better pace profiles.
- **#3 Sun Lord (ML 15/1):** TPN 80 (Scrub). Dismal NR (57.0) dead last in True Class.
- **#7 Eze Sur Mer (ML 20/1):** TPN 80 (Scrub). Outclassed mathematically.

- **#8 Electric Gambler (ML 15/1):** TPN 80 (Scrub). Unexposed, but NR (80.5) is lacking.
- **#9 Tinsel (ML 10/1):** TPN 78 (Scrub). Poor expected margin (7.5) and pace setup.

SECTION 3: Overlay Audit & Race Call

Step 1: Overlay / Chaos Identification

- **NEURAL OVERLAY (⚡):** #4 Electrical (ML 20/1 vs PR 6.5).
- **WATCH VALUE (👁️👁️):** #11 Alkaios (Blinkers on at 15/1).
- **CHAOS PLAY (💣):** #4 Electrical (Deep closer in a strung-out field).

Step 2: 🏇 Quick Race Call & Summary

- **Race Flow:** #2 Mmmmbop and #1 Takeitorleaveit will go forward and control the tempo. Over the marathon 1 1/2-mile trip, the horse that settles best up front usually wins. Takeitorleaveit has the inside draw to track perfectly.
- **Most Likely Winner:** #1 Takeitorleaveit — Elite Em 0.0 target, top NR, and drawn for a perfect stalking trip.
- **Main Danger:** #5 Caraway — Highly consistent algorithmic class.
- **Value Threat:** #4 Electrical — At 20/1, the R&S Neural price of 6.5 makes her an absolute must-use in exotics.

AI Call: Expect Takeitorleaveit to prove best, with Caraway the danger.

- **Normalized TPN: 100 | Tier: Top Pick**
- **R&S Neural Metrics:** NR: 165.5 | Em: 0.0. An algorithmic titan. Holds the #1 Neural Rating by a massive 31 points and lands the Em 0.0 target mark.
- **Pace & Draw (Speedmap):** HPR: 75 | Post: 7. Will sit the absolute perfect trip—stalking in third, just behind the two speed horses (#1, #2), staying ahead of the congested wall of closers.
- **Brisnet Dual-Metrics:** Avg CR 113. Receives "Blue Sky" upside as a 4yo with only 3 starts.
- **The Going & Sweet Spot:** Improving with every start.
- **Weight & Trip Notes:** Carries 133 lbs. Adding Blinkers ("Blnkr On") today is a massive intent signal from the stable to sharpen his finish.
- **AI Verdict:** The most dominant algorithmic horse on the card. Em 0.0, huge NR gap, blinkers on, Blue Sky upside, and a flawless tactical speedmap setup.

#10 Powder Monkey (Bris ML: 5/2 | R&S PR: 6.0)

- **Normalized TPN: 87 | Tier: Top Contender**
- **R&S Neural Metrics:** NR: 134.0 | Em: 3.5. #2 True Class rating. The machine respects him, though ML (5/2) is shorter than PR (6.0).
- **Pace & Draw (Speedmap):** HPR: 30 | Post: 1. A closer drawn on the rail. Will need racing room but saves all the ground.
- **Brisnet Dual-Metrics:** Avg CR Rank 1 (115). Brilliant recent progression. Blue Sky 3yo (6 starts).
- **The Going & Sweet Spot:** 2 synthetic wins; loves the conditions.
- **Weight & Trip Notes:** Carries 131 lbs. "Ridden to lead approaching 2f out; soon in command." Highly confident

current form.

#1 Alfa Whiteburd (Bris ML: 6/1 | R&S PR: 7.0)

- **Normalized TPN: 84 | Tier: Contender**
- **R&S Neural Metrics:** NR: 128.5 | Em: 8.5. Top 3 True Class.

- **The Going & Sweet Spot:** Outstanding synthetic/distance affinity (4 AW wins, 3 Distance wins).
- **Weight & Trip Notes:** Must carry top weight (139 lbs). "Led; went four lengths clear."

#8 Chantelle (Bris ML: 5/1 | R&S PR: 7.0)

- **Normalized TPN: 83 | Tier: Contender**
- **R&S Neural Metrics:** NR: 127.5 | Em: 7.5. Consistent top-tier algorithmic metrics.

- **The Going & Sweet Spot:** Proven AW winner.
- **Weight & Trip Notes:** 132 lbs. "Held up towards rear; strongly ridden and stayed on well."
- **AI Verdict:** Will be flying late, but the wide draw and extreme closer profile in a congested field make her reliant on racing luck.

#4 The Dragon King (Bris ML: 12/1 | R&S PR: 9.0)

- **Normalized TPN: 81 | Tier: Fringe Contender**
- **R&S Neural Metrics:** NR: 125.5 | Em: 6.5. Top 5 True Class. PR (9.0) vs ML (12/1) offers solid overlay value.

- **#7 Reciprocated (ML 30/1):** TPN 75 (Scrub). Blinkers on, but mathematically outclassed (PR 26.0).
- **#9 Tattie Bogle (ML 8/1):** TPN 75 (Scrub). Fully exposed 4yo (32 starts); lacks top NR.
- **#11 Padua (ML 15/1):** TPN 75 (Scrub). Lowest NR in the field (88.0).

 SECTION 3: Overlay Audit & Race Call

Step 1: Overlay / Chaos Identification

- **WATCH VALUE** (👁️👁️): #5 Charlie's Cannon (Blinkers on, lightly raced at 15/1).
- **CHAOS PLAY** (💣): #1 Alfa Whiteburd (Front-end speed always dangerous at 6/1).

Step 2: 🏇 Quick Race Call & Summary

- **Race Flow:** The tactical map points squarely to #1 Alfa Whiteburd setting the tempo. With eight deep closers in the field, #6 Grow Old With Me will get the dream trip sitting perfectly in third, bypassing the traffic jam and getting the jump on the deep closers like Powder Monkey.
- **Most Likely Winner:** #6 Grow Old With Me — Em 0.0, colossal NR advantage, blinkers on, and a flawless stalking speedmap profile.
- **Main Danger:** #10 Powder Monkey — Highly progressive class horse drawn inside.
- **Value Threat:** #1 Alfa Whiteburd — If he isn't pressured early, he can wire this field.

AI Call: Expect Grow Old With Me to prove best, with Powder Monkey the danger.
