Rank	#	Horse	Raw TPN	Norm TPN	ML	Tier	Alert	Rationale
1	4	Iza Candy Man	93	100	6/5	Top Pick		Ghost Protocol deletes bad last race; 87 SI is highly dominant.
2	5	Hoosier	91	98	3/1	Contender		Huge class edge invading via Ruidoso Futurity Trial.

Contender Rundown

-  **The Power Play:** Iza Candy Man — The AI saw right through the 70 SI last out due to early trouble. His 87 SI two-back destroys this field.
-  **The Class Drop Edge:** Hoosier — Getting a massive AI bump due to the Trial Drop Shield from Albuquerque/Ruidoso elite company down to Maiden Claiming.
-  **The Fade:** Henosheis Fire — A chronically troubled gate horse taking a tailwind penalty on his only good number. Avoid at 4-1.

 Contender Rundown

-  **The Power Play:** #2 Igotahheartlikeatruck — Taking a massive class drop out of Futurity Trials directly into maiden claimers after flashing a field-best 88 SI.
-  **The Value Angle:** #5 Cowboy Crush Bb — Boasts the best clean-start average (1.0) in the field and is severely overlooked on the morning line.
-  **The Fade:** #3 Aj Beauty Rose — Taking too much money at 3-1 based on a grinding style that lacks the sheer explosion of the top 3.

 Quick Race Call & Summary

- Race Flow:** Expect Cowboy Crush Bb (#5) to fly out of the gates early, putting pressure on the inside horses. Igotahheartlikeatruck (#2) will get a clean lane from post 2 and deploy superior back-class speed midway through the sprint.
- Most Likely Winner:** #2 Igotahheartlikeatruck — Trial class plunge is simply too potent.
- Main Danger:** #1 Getting Higher — Forgives the last troubled break.
- Value Threat:** #5 Cowboy Crush Bb — Gate speed equals danger.
AI Call: Expect Igotahheartlikeatruck to prove best out of the gate, with Getting Higher mounting the main threat down the lane.

- 💰 **The Value Angle:** #2 Competent — The 8-1 line is a massive overlay considering she hit an 85 SI just three starts back before encountering back-to-back horrific gate starts.
- 🚫 **The Fade:** #6 Walk When I Walk — Getting 9/5 on a horse who was heavily aided by tailwinds in her last two runs is mathematically poor value against this level of class.

B. FIELD SUMMARY (Ranks 5+)

- **#2 Energy Six (ML 7/2):** TPN 86 [Fringe]. Tossed a 24 SI last time out due to a slow break. Ghost covers it, but overall speed ceiling is capped at 85 vs true 90-par runners.
- **#5 Callaita (ML 9/2):** TPN 82 [Toss]. Peak SI is an 89 but requires a flawless trip. Shuffled back consistently in mixed-tier races.

 Contender Rundown

-  **The Power Play:** #4 Mission Possible — Boasts an absurd 1.33 Clean Start Average and is coming off back-to-back 90 Speed Indexes. Simply the fastest horse out of the machine.
-  **The Value Angle:** #3 Ultra Shiny — Extremely quick out of the gate (2.25 CSTA) and is hovering at 8-1. Will clear the inside traffic early.
-  **The Fade:** #6 Val Baby — 8/5 is too short on a filly that has a habit of getting outkicked in the final 50 yards (SI 82 last out).

AI Call: Expect Mission Possible to prove best out of the gate, with Val Baby mounting the main threat down the lane.
